

REQUEST FOR PROPOSALS
CAMANO CITY COMMUNITY CLUB
PUBLIC NOTICE OF INVITATION TO BID

The Camano City Community Club is soliciting sealed bids from qualified bidders for the installation of approximately 3,000 feet of 4-inch PVC raw water transmission main and appurtenances, connection of the 4-inch main to two existing wells and to the existing reservoir piping, installation of approximately 675 feet of 6-inch PVC distribution main and appurtenances, and related work.

Bid documents, plans and specifications may be obtained from Water and Wastewater Services, 14263 Calhoun Road, Mt. Vernon, WA 98273 (telephone 360-466-4443 ext. 208) for the non-refundable fee of \$25.00 (checks only). Checks shall be made payable to the Camano City Community Club.

Bids on the forms provided in the bid documents shall be mailed or delivered to Water and Wastewater Services, 14263 Calhoun Road, Mt. Vernon, WA 98273. All bids must be received by 3:00 p.m. on Monday, January 18, 2010. The bid envelope shall be sealed and clearly marked Bid Proposal – Camano City Community Club. Bid envelopes received after the aforementioned time and date will not receive consideration. Bids will be opened in public immediately following the aforementioned time and date for receipt of bids.

Bids shall be accompanied by a certified check or bid bond as specified in Special Conditions in the bid documents.

A mandatory pre-bid meeting and walk-through of the project will be conducted by the project manager. The meeting will start at the intersection of Fir Lane and Falcon Road on Camano Island at 10:00 a.m. on Thursday, January 7, 2010. Bids will not be accepted from Contractors that fail to have a qualified representative at the pre-bid meeting.

Small, minority and women-owned businesses are encouraged to submit bids.

The project is funded through a loan from the Washington State Public Works Board.

The Owner reserves the right to reject any or all bids, and to waive any informality in the bids or bidding.

Please address questions regarding this request for proposals to Project Manager, Water and Wastewater Services, telephone (360) 466-4443 extension 201.
